 - [Crisis Text Line](#)
 - Free, 24/7 support for those in crisis
 - Text 741741 to text with a trained crisis counselor
 - [Veterans Crisis Line](#)
 - A free, confidential resource that is available to all Veterans, service members (including National Guard and Reserve) and their family members and friends, even if you're not registered with the VA or enrolled in VA health care.
 - Connect with the Veterans Crisis Line to reach caring, qualified responders with the Department of Veterans Affairs. Many of them are Veterans themselves.
 - Call 800-273-8255 press 1, text 838255, or chat online
 - [Essential Therapy for Essential Workers](#)
 - Therapy Aid Coalition's mission is to develop a national network of psychotherapists, capable of responding to crises that occur within the United States. By offering support, training and compensation to our psychotherapists, we are able to ensure those impacted by national crises receive prompt quality care and support. By providing training opportunities and a community of support to our network of psychotherapists, we reduce the risk of burnout and vicarious traumatization.
 - [Make The Connection](#)
 - [MakeTheConnection.net](#) connects Veterans, their families and friends, and other supporters to [mental health information](#), a tool for finding [local mental health resources](#), and videos of Veterans sharing their [inspiring stories of recovery](#). The site is free to use and accessible to everyone.
